Pintastic will host a number of pinball tournaments with over \$5,000 in total cash prizes and trophies, restoration competitions, industry guest speakers, workshops and over 50 pinball manufacturers and vendors. What sets Pintastic New England apart from other pinball expos around the country is its family friendly atmosphere including, face painters, clowns, balloon animals, a magician, bouncy house, a carnival swing ride, an obstacle course ride and even a 40' mobile arcade trailer. Attendees can also enter one of our Super Smash Brothers video game tournaments with \$1,000 in total cash and trophies.

The event will also host a number of free attendee raffles and special charity raffles that will benefit Children's Hospitals around New England. Guests can enter for a chance to win a brand new \$8,000 Wizard of Oz or Hobbit Pinball Machine from Jersey Jack Pinball delivered to their door. One person will win a pinball machine while another one will go directly to Boston Children's Hospital and Children's wing of the UMass Memorial Children's Medical Center in Worcester, MA. We'll also have various prize raffles set up for other charities including the Worcester County Food Bank. 100% of all the proceeds will go directly to each charity.

In the last five years pinball has made a remarkable comeback with shows and tournaments filling convention centers, pubs, and homes all across the country. It's time to bring that excitement to New England, in a way the entire family can enjoy. Come on down and relive the fun from your past, see the present and get a sneak peak at what the future of pinball holds at Pintastic New England.
